SKILLS

React	Node.js
JavaScript	Mongo DB
Wordpress	Jasmine/Enzyme
HTML CSS	Cypress
UX/UI principles	Git/GitHub

EXPERIENCE

- **Adobe - Analytics, Software Engineering Intern**
JUN 2018 - PRESENT
Using React, Cypress, & Git, I collaborated with the Product, UX, and Web UI teams to develop and implement a consistent save experience across modules in Adobe's Workspace product.
- **V School - Full Stack Development**
FEB 2018 - MAY 2018 ADOBE DIGITAL ACADEMY SCHOLAR
Studied MERN stack: [My Portfolio](#)
- **Slopes Design, Web Designer/Developer - Owner**
MAY 2015 - JUNE 2018
Created responsive websites using WordPress, JavaScript, and HTML/CSS.
- **Workfront, Executive Assistant to CTO**
JUN 2011 - JUL 2014
Supported the CTO, development leadership, and tech team. Learned how Product, Design, and Development teams work together to build a SaaS product.

EDUCATION

- **V School - Adobe Digital Academy Scholar**
FEB 2018 - MAY 2018
Certificate in Full Stack Web Development
- **Brigham Young University**
